Greetings Tiger Parent!

The purpose of this letter is to explain how the late-start Wednesdays, implemented across the R-7 district for teacher collaboration, will impact your student.

On late-start Wednesday mornings, LSHS classes will begin at 8:30 am, exactly one hour after normal start time. The school doors for all students will open for full student access at 8:10 am, which coincides with the end of teacher collaboration. Any student arriving prior to 8:10 am must check in at the southeast doors (closest to the Highway Patrol Station). No other doors will be open for student access. It should be noted that any student may begin accessing breakfast at 8:05 am by checking in through the southeast doors.

Finally, please know that LSHS will be operating a test make up center on Wednesday mornings. If your student misses a regularly scheduled test, many teachers will be expecting him/her to make it up on Wednesday mornings. In these cases, your student should check in at the southeast doors (closest to the Highway Patrol Station) no later than 7:20 am. Students must have made prior arrangements with their teacher(s) in order that we will have him/her registered and the test will be waiting.

Should you have any questions regarding the late-start Wednesdays, or the implications for your student(s), feel free to call us at 986-2000.

Sincerely,

Dr. John Faulkenberry, Principal
Lee's Summit High School
