What is it?

The first day of school for all freshmen. Students will:

- Practice getting to classes, locker, lunch, etc.
- Experience each component of their daily schedule including meeting their teachers.
- Meet their Academic Coach (4-year advisor) and assigned Tiger Mentors (upper class student leaders).
- Sign up for school clubs and activities.

When is it?

Monday, August 13th, 7:30 am to 12:30 pm

Where is it?

Lee's Summit High School
(Begins in the Fieldhouse)

How do I get there?

Buses will run normal routes to pick up students. Even if you plan to arrive at school differently during the year, we encourage you to ride the bus for this event so you will know the bus number, driver, and route.

What should I bring?

All that is needed is money for lunch and a great attitude! The usual hot plate lunch will be available for \$2.50. Other options, at various prices, will also be available.

Who is involved?

Besides all the freshmen, look for the entire teaching faculty, and many upper-grade students involved in numerous programs, clubs, activities and rigorous courses.

Why are we doing this?

To help you get excited about having a great year at LSHS!
