

2018-19 Innovation Track Enrollment Checklist

-  **STEP 1** Speak with your high school counselor to determine if the Innovation Track is a good fit for you. If yes, complete the Innovation Track application and submit to your guidance office by February 7, 2018.
-  **STEP 2** Complete the free, online application for Metropolitan Community College at www.mcckc.edu/apply. The application must be completed prior to your school's test date below.
-  **STEP 3** Provide a copy of ACT scores or complete placement testing. If no ACT scores, testing will be provided at the high schools on the following dates:
- | | |
|--------------------------|--------------|
| Lee's Summit West | Feb 12, 2018 |
| Lee's Summit North | Feb 13, 2018 |
| Lee's Summit High School | Feb 14, 2018 |
- Testing is also available on a walk-in basis at MCC-Longview. Call 816-604-2434 for hours. Please note, you must have an MCC application on file in order to test.
-  **STEP 4** Meet with an MCC Academic Advisor at LSR7 Parent Enrollment Conferences February 20-22, 2018 to discuss MCC class registration.
-  **STEP 5** Attend Innovation Track Orientation in May where students will receive their final schedules, parking permits, MCC student photo ID's, tour the campus, and learn about available resources.
-  **STEP 6** Make tuition payment arrangements, purchase textbooks, and get ready to fast track your success!
