College Credit for High School Students

College credit for many technology courses is available for high school students through University of Central Missouri, Metropolitan Community College, Fort Scott Community College, State Technical College of Missouri, North Central Missouri College and State Fair Community College. High School students who meet the eligibility criteria that are set forth by the college may be enrolled in college courses, and grades for those courses will be transcribed at the college upon course completion.

Essay Questions

Please respond to the following questions in your own handwriting. Be prepared to discuss your responses with the Cass Career Center representative during your visit.

1. Why are you interested in attending Cass Career Center?
2. What are your career interests?
3. How did you decide on your program choice(s)?
4. Which class, past or present, has been your favorite?
5. In what school and community activities have you participated?
6. What specific experiences have you had that relate to your program choice?
(This can be paid or unpaid work, such as babysitting, yard work, job shadowing, internships, volunteer activities, working at home with a parent, etc.)

Notice: Completion of this application by itself does not constitute admission to Cass Career Center or placement on a waiting list for a program that may be full at the time application is made.
