

LSHS SPIRIT QUILTS

Only \$50⁰⁰

The Story Behind the LSHS Spirit Quilt

Sandee McMillin, an LSHS alum and retired LSR-7 School District employee, started a business making custom T-shirt quilts seven years ago—**Wrapped Up In Memories**. Recently Sandee has collaborated with a friend and LSHS alum, Deborah Herman, who owns a fabric company. They have created a graphic replication of one of Sandee's quilts which allows Sandee to offer all current LSHS students and alumni the opportunity to economically display their school pride. The Spirit Quilts are made of microfiber and are machine washable. The 53" x 58" quilts are available for only \$50.

Sandee is also still making custom T-Shirt quilts. If you have a collection of T-shirts you want created into a beautiful quilt, you can contact Sandee through her website www.wrappedupinmemories.com

**50% of each quilt sold will be donated to the
LSHS Future Business Leaders of America (FBLA)**
