

Senior Exit Survey

All seniors must complete an on-line exit survey prior to check-out Friday, May 11. The survey takes approximately 15 minutes and will be available on the LSHS website near the end of April. Seniors will be notified when the survey goes live. This survey may be completed before or after school, during any downtime at school, or from a home computer. To access the survey, go to the LSHS website at <http://lshs.lsr7.org> and click on the Senior Exit Survey link.

Check-out Friday, May 11, 2018

Senior check-out cards will be distributed 1st hour on Wednesday, May 9th. Seniors must have each of their teachers sign the cards to indicate that all obligations have been met. Teachers will sign your card once you complete the final exam. You will not receive a cap or gown, nor be cleared for graduation until all fines have been paid and all obligations met. Any senior without a 1st hour should pick up a check-out card from the counseling center.

Graduation

This is a ceremony that demands special dress for our graduates and their guests, as well as proper behavior from all. Expectations are as follows:

Make sure your guests know to...

- Respect all graduates by holding any applause until all names have been read
- Refrain from yelling at any time
- Turn off all cell phones and electronic devices
- Avoid bringing any sort of noisemakers
- Avoid smoking on the graduation premises.

Dress Guidelines for Students

- ✓ As soon as you receive your cap and gown, hang your gown to allow the wrinkles to fall out. Hang it in the bathroom while showering to steam out the wrinkles, or press with a cool iron. If you do not do one of these, your gown will not be presentable for these special ceremonies.
- ✓ In order to participate in the ceremony, make sure your dress is appropriate.
 1. Students are not allowed to write or display any written statements or symbols on robes or hats.
 2. Caps should be worn straight with tassels starting out on the right side. At the end of the ceremony, they will be flipped to the left side.
 3. Hairstyles must permit the proper fit of caps.
 4. Graduates should not wear tennis shoes, flip flops, or beach shoes.
 5. Flowers or jewelry should not be worn on gowns. No decorations of any kind are allowed on caps or gowns.
 6. Do not wear sunglasses.
 7. Male graduates should wear white shirts, slacks, and dress shoes. Jackets are too hot to wear under robes. No shorts are allowed.
 8. Female graduates should wear dresses, skirts, or slacks and dress shoes. No shorts are allowed.

Dress Guidelines for Guests

- Men are asked to dress in slacks and a dress shirt. Shorts, sweats, t-shirts and hats should be avoided.
- Women are asked to wear a dress, skirt or slacks, and a dress shirt. Shorts, sweats, and t-shirts should be avoided.
