

Tradition·Pride·Excellence

Lee's Summit High School will be using a new online system to store vital student activity and athletics information. This system, called PRIVIT, will allow parents/guardians to upload all children grades 7-12, roll information over from year to year and will simplify the process of completing the student physical form.

PRIVIT will also allow coaches/sponsors and trainers to access vital student information in a timely manner without the burden of carrying hard copies. If you experience difficulties completing your profile please utilize the online support system or contact Melodye Wehmhoener at 816-986-2107.

If you no longer have a copy of your physical, but you have submitted it to the athletic office, please contact Mrs. Wehmhoener at the number listed above (or e-mail at melodye.wehmhoener@lsr7.net) so she can send you a scanned copy of your physical to submit through the new online system.

- Specific instructions for uploading your physicals can be found [here](#).
- The only portion of the physical form that needs to be scanned and uploaded is the portion filled out by the doctor. Download form [here](#).
- Upload physical at [PRIVIT](#).
