Dear Tiger Parent:

Any student participating in any middle or high school Missouri State High School Activities Association (MSHSAA) sponsored sport or activity will be charged a yearly participation fee to help off-set the costs associated with providing these opportunities.

For 2017-18 the Athletic fee and Activity fee, previously \$50 each, have been combined into one singular \$50 fee per student. Activities include bands, choirs, orchestras, cheerleading, Golden Guard, Tigerettes, Winter Guard, speech and debate, and scholar team. For those families with two high school students participating in activities, the charge is \$100. Families with a third high school child participating in either activities or sports will not be charged for the third child. \$100 is the established family maximum.

Once a student has paid to participate within the activity or athletic program, he/she may participate in as many activities or sports as he/she can successfully balance for the original \$50.

For students who qualify for the federal free or reduced lunch program, participation fees will be waived (free lunch status) or reduced by 50% (reduced lunch status). If your child qualified for free or reduced lunch during the 2017-18 school year, fee amounts will be assessed appropriately in the online registration process. This ensures that the process is confidential.

Please feel free to contact the Lee's Summit High School Activities Office at 816.986.2107 with any questions regarding these participation fees.

With Tiger Pride,

Dr. John Faulkenberry
Principal, Lee's Summit High School
