

Father's Club at Lee's Summit High School

In case you missed the LSHS Father's Club Kickoff meeting last week – no worries! We are still actively looking for (and need!) dads that want to make a positive impact on LSHS students' lives. Our first event is in the works for mid-December. Whether you currently have an LSHS student, or will in the near future, this is a really cool way for dads to come together to have a meaningful presence for all LSHS students. See below for more detail on the Father's Club mission and purpose.

The first step to getting involved is to go to www.fathersclub.org/join to subscribe to the database. You can also sign up through the QR code below.

How to connect

The Father's Club is a dad-led, grassroots effort promoting intentionally around dads' relationships and time spent with their families, with each other and within the community.

The hope is that such intention will help empower parents to be a catalyst for change in the areas of mental health, teen suicide, substance abuse, technology addiction, self-worth, anxiety and stronger families.
