College Statistics

You should consider taking the class if you are:
- ★ Going to college - it's a requirement at many!
- ★ Studying nursing, business, mathematics, science, psychology, sociology, health-related fields, and many more!
- ★ Wanting a semester class that offers college credit.
- ★ Wanting to know the answer to the question, "When am I ever going to use this?"

Statistics is the science of learning from data. We discuss ways to collect, organize, summarize, analyze, and draw conclusions from data. These skills will prove useful in countless fields of study!

Requirements:
- ★Senior
- ★C- or better in Algebra 2/teacher recommendation
- ★Optional College Credit available:
  - ○ need 22 on Math ACT or comparable score on the MCC Accuplacer Test
  - ○ **and** 3.0 unweighted GPA.
